## ABOUT WARSAW CHEMICAL

Warsaw Chemical has been making products that clean better and save money for 80 years. Based in Warsaw, Indiana, our family of more than 400 products includes a full line of the highest quality soaps, cleaners, degreasers, sanitizers, disinfectants, deodorizers, polishes, protectants and specialty lubricants.

Our products are used in nearly all commercial applications, and manufactured and shipped from our U.S. based manufacturing and distribution center to customers throughout the U.S., Canada, Mexico and Puerto Rico.
